Saint Jo is a small town in North Texas on US Highway 82 with strong western heritage. It's a quiet community during the week and on the weekends, we get visitors from across the country attending various festivals and music concerts.

Officers enjoy a relatively low call volume which allows the opportunity to interact with the community and perform self-initiated law enforcement.

Applicants must be TCOLE certified having successfully passed a TCOLE approved Field Training Program

Officers answer calls, take reports, investigate vehicle crashes, perform traffic enforcement, conduct their own case investigations.

A strong working knowledge of the Texas Code of Criminal Procedure is a must, as you will often be working without direct supervision.

Investigative experience is preferred.

Experience in preparing arrest and search warrant affidavits is preferred.

Applicants may send a resume to Chief Harvey Johnson at hjohnson.sjpd@gmail.com

Personal History Statements can be obtained on the TCOLE website. PHS can be sealed in an envelope and dropped off at the Police Department or City Hall Monday - Friday 8am to 5pm.
